General Body Meetings

This past term we spent time in our General Body Meetings planning for upcoming workshops. We also had some fun with jewelry making and painting pumpkins.

Brownie/Junior Workshop

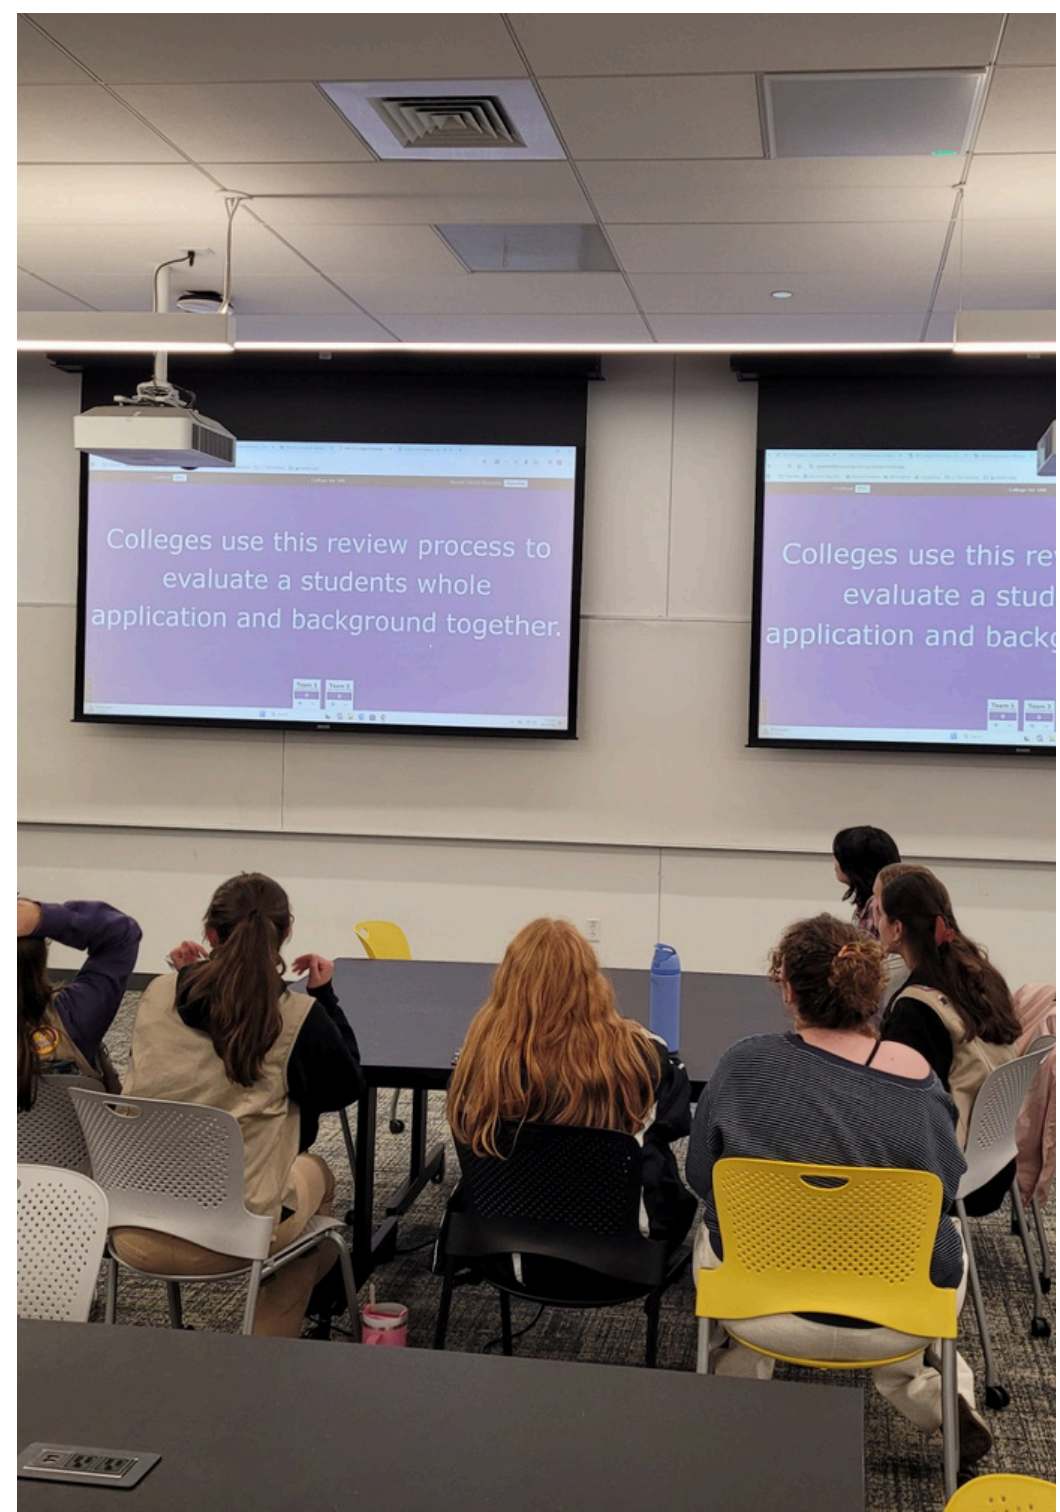

Campus Girl Scouts hosted a badge workshop for a Brownie and Junior troop. Girls earned the Brownie Senses badge and the Junior Detective badge. Each girl worked with a partner to complete tasks at 5 different stations to learn about their senses and develop their investigation skills. Thank you Troop 65577 for coming to campus.

Ambassador Workshop

Campus Girl Scouts invited an Ambassador troop to campus where they earned their College Knowledge badge. Girls learned about the college application process and were tested on their knowledge with a game of Jeopardy. We also shared our own college experience and how we have been able to continue our involvement with Girl Scouts in college. Thank you Troop 11582 for coming to campus.

Love Your Club Day

Campus Girl Scouts participated in WPI's annual Love Your Club Day, which is a large fundraising opportunity for clubs on campus. Through everyone's generous donations, we raised over \$1500 that will go towards providing STEM education to students in our community. We are so thankful for everyone's support and look forward to continuing the work that we do.

Thanks to everyone's generous donations, we were able to reach three benchmark goals and had the opportunity to pie our Volunteer Chair, PR Chair, and Treasurer. Thank you to everyone who donated to help support STEM education.

GSCWM Geek is Glam

Campus Girl Scouts joined Girl Scouts of Central and Western Massachusetts for their annual Geek is Glam event on WPI's campus. Girls learned about the mechanics of flight while making hoop fliers. Thank you GSCWM for inviting us.

Upcoming Events

We have a busy term ahead, as we will be hosting four badge workshops. We will also be volunteering at the Worcester Boys & Girls Club Family STEM Night. Lastly, we will be hosting STEM in Action on WPI's campus on November 1st.
