# Junior Badge Workshop

Campus Girl Scouts partnered with a local troop for a badge workshop. These girls worked towards earning the Coding for Good badge. They learned about coding basics. They then had the opportunity to learn about the design process with digital game design and app development! Thank you Troop 65197 for having us!

# Blood Drive

Campus Girl Scouts hosted a second blood drive this year with 37 donations! Thank you to Massachusetts General Hospital for bringing their Bloodmobile Bus.

# STEM in Training

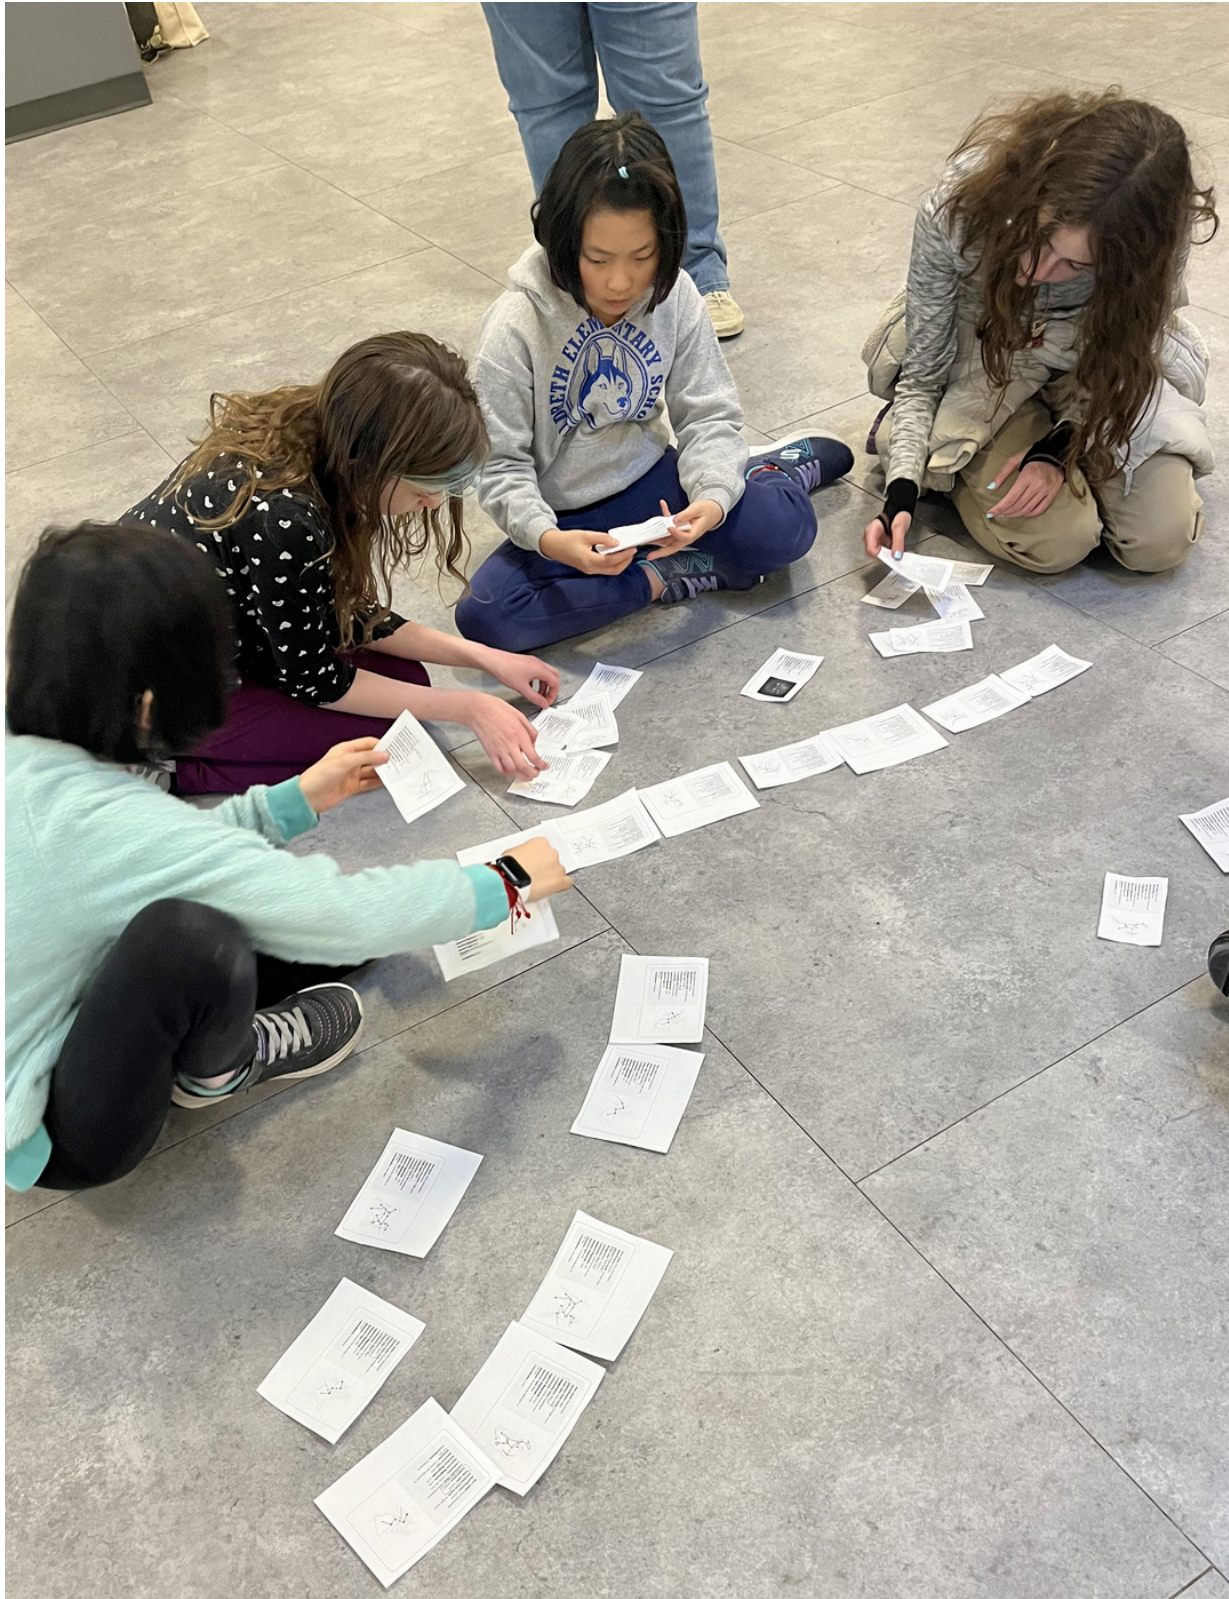

Campus Girl Scouts welcomed local Girl Scouts to WPI's campus for STEM in Training. Girl Scouts had the opportunity to learn about different STEM fields from WPI academic clubs.

# STEM in Training

# Cadette Badge Workshop

In February, Campus Girl Scouts partnered with a local troop for a badge workshop. These girls worked towards earning the Space Science Badge. They first learned about the amazing properties of light that we use to understand our universe! Each girl built their own spectroscope to be able to see visible light waves. Finally, they learned how to classify stars and about different constellations. Thank you Troop 65157 for having us!

# World Thinking Day

Campus Girl Scouts partnered with the Shrewsbury Service Unit to celebrate the 100<sup>th</sup> World Thinking Day! Girl Scouts had the opportunity to learn about Girl Guides around the world with a trivia matching game. They also made SWAPS to share with their friends.
