April 17th - **Badge Workshop**  
May 3rd - **GSEMA STEM Fest**

**D TERM**

**2025**

**NEWSLETTER**

## UPCOMING EVENTS:

We were so happy to have had a busy spring filled with so many amazing events that allowed us to bring STEM education to Girl Scouts in the area. We are honored to be invited to the Shrewsbury Bridging Ceremony in June. See you next school year and keep an eye out for our fall event registration!

# GENERAL BODY MEETINGS

At our General Body Meetings we have been hard at work planning for badge workshops. We have also had some fun with painting tote bags and making SWAPS.

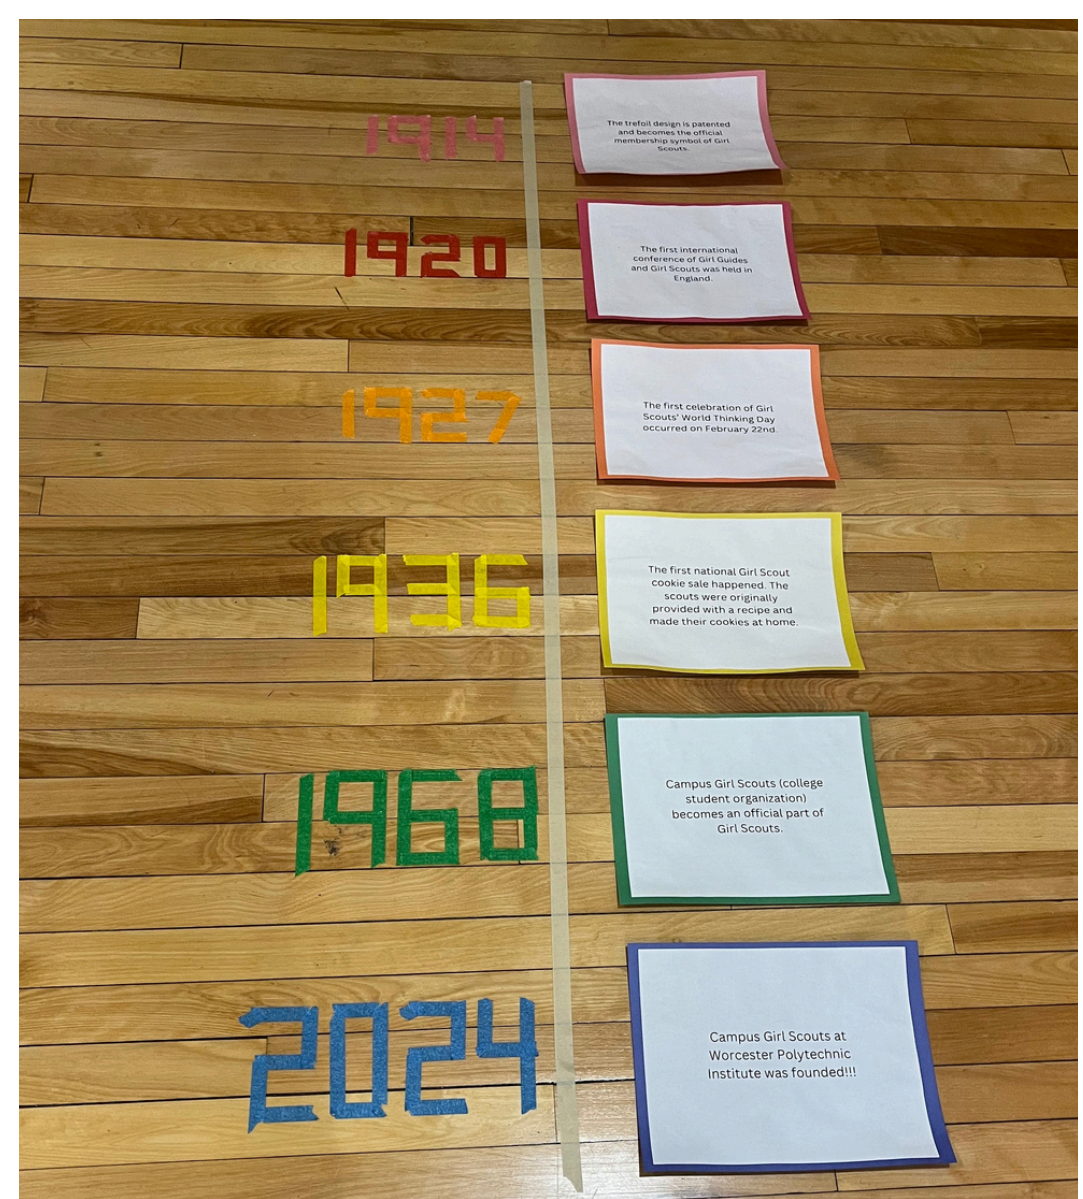

# Thinking Day

Campus Girl Scouts at WPI participated in Shrewsbury Thinking Day. We were able to share "Our Story" of how Girl Scouts influenced our STEM careers. Thank you Shrewsbury Girl Scouts for inviting us!

Girls participated in a timeline activity where they learned about Women's US history, Women in STEM, and Girl Scout history. They then got creative and made SWAPS.

# WIN Grant

Campus Girl Scouts is grateful to have received a grant from the Women's Impact Network (WIN). This grant will allow us to continue our mission of promoting female leadership, empowerment, and advancement, both on campus and in our surrounding community. It will also help to fund STEM programming and inspire the next generation of women in STEM.

# Railers Badge Workshop

Campus Girl Scouts at WPI members joined Girl Scouts of Central and Western Mass in their day of STEM with the Worcester Railers! CGS at WPI helped Cadettes earn their engineering journey by making corgi life vests, elephant prosthetics and camp cabins! Members of CGS got a patch and even enjoyed the following hockey game! Thank you GSCWM!

# Daisy Badge Workshop

Campus Girl Scouts at WPI members volunteered with a local troop for a badge workshop. These young daisies worked hard to earn the Think Like An Engineer and the Toy Designer badges, as they learned about the engineering design process from Campus Girl Scouts. Thank you so much Troop 5440 for having us!

# GSEMA STEM Fest

Campus Girl Scouts joined Girl Scouts of Eastern Mass for STEM Fest at Camp Cedar Hill. Girls learned about forces while making paper rockets they launched with straws. Girls collected SWAPS at the booth and they got a chance to learn about different STEM careers from CGS members. Thank you GSEMA for inviting us! We look forward to more partnerships!
